

To pair the new remote control to your television, please follow the below steps:

- Switch the TV on using the standby button on the TV set (not the remote control)
- Once powered on, press the standby button on the TV set once, a 'pairing menu' should appear
- Scroll through and highlight 'Pair your remote' by pressing the CH+/CH- TV buttons on the TV
- Press the TV set's standby button to confirm your selection
- With the remote control, press and hold the two centre coloured buttons at the bottom of the remote control for a few seconds
- The power light will blink 5 times to confirm the TV and remote control are paired.

You should now be able to use the remote control as expected.
